Violation Number    Nature of Noncompliance

1       During a home visit on September 28, 2020, Simmons submitted a urine sample which tested positive for marijuana. Mr. Simmons admitted to the undersigned he smoked marijuana the beginning of September. Simmons stated he smoked marijuana in order to help sleep as he has been working crazy hours at work and has been unable to sleep at all.

U.S. Probation Officer Action:

This is the offender's third positive result for marijuana. He was verbally reprimanded and advised that we will notify the Court of his noncompliance. Simmons was referred to the Human Growth Center in Clifton, New Jersey for a substance abuse evaluation. We will continue to monitor his compliance, increase urine surveillance, and collaborate with his treatment provider to address his substance abuse issues. The probation office respectfully recommends that Your Honor take no Court action at this time and the signed petition will also serve as a formal judicial reprimand. We will apprise the Court of any further noncompliance.
